

INTIMATE VIEW

CINDY BARON

When asked how she chooses a medium for a certain painting, Cindy Baron's answer is, "Nature chooses the medium for me. I'm very blessed to see the landscape in two mediums. When I'm on location I can feel the movement a watercolor can provide, yet some scenes call for the intensity and depth that only oils can give. Some would say it's important to concentrate on one medium, but I believe that if you are passionate about what you do and express it the best you can, you can grow tremendously."
