

# LIGHT STEPS

## MARY ERICKSON

Mary Erickson has dedicated her life to painting the beauty of the natural world. "I believe there will come a day," says the artist, "when the only places where we will be able to glimpse true nature will be in the parks we set aside now. I record what I see and am passionate about the scenes I can preserve on canvas; this is my work's importance." *Light Steps* is a loving twilight portrait of sand, sea and sky.
