## SANDY MASTRONI

*In nine lifetimes, you will never learn more about your cat than your cat knows about you.*

—Michel de Montaigne

Cats are good listeners, wise counselors and expert comforters. Their presence in our lives is a gift (as they often are quick to remind us) and their little quirks help keep life interesting. This fine and fancy feline's owner has become accustomed to weekly visits to the tailor and the need to share the bathroom mirror.
